- Legal change of name order, or
- Marriage certificate, or
- Adoption order, or
- Birth certificate or citizenship certificate issued in the new name.

Additional documentation will be required to verify your identity as well as the name to appear in the passport (see section N).

SURNAME (LAST NAME) AT BIRTH/FORMER SURNAME (FORMER LAST NAME)

Complete only if different from the surname (last name) to appear in the passport (for Passport Canada information only—will not appear in the passport).

PLACE OF BIRTH

Your place of birth must be provided on the application form. If you do not wish the place of birth to appear in the passport, submit a written request. Be sure to contact the consulate or embassy of every country you plan to visit to ensure that you will be admitted if the passport does not include your place of birth.

SIGNATURE

You **must** sign your usual signature on all **three (3)** pages. Your signature in section 1 will appear in the passport. Therefore, your signature **must not** exceed the inner limits of the signature box.

K

Declaration of Guarantor

A guarantor is a person other than yourself who confirms your identity.

Your guarantor must:

- be a Canadian citizen 18 years of age or over;
 - hold a five-year Canadian passport that is valid or has been expired for less than one year on the day you submit your application;
 - have been 16 years of age or older when he or she applied for the passport identified in section 2 of this application form;
 - have known you personally for at least **two (2)** years*;
* To know an applicant personally means that the guarantor is able to confirm aspects of the applicant's personal attributes such as name, approximate age, place of birth, physical description and some personal history such as occupation and place of residence.
 - provide the requested information contained in his or her passport;
 - be accessible to Passport Canada for verification;
 - reside in Canada, in the USA or an area where submission of this application form is authorized, e.g. Bermuda.
- It is not necessary that the guarantor reside in the same country as the applicant.

A family member or person residing at the same address as you may be your guarantor, provided that he or she meets the specified requirements.

Your guarantor must perform **free of charge** the following **three (3)** tasks:

1. Complete and sign the Declaration of Guarantor section (*ensure you have completed and signed all **three (3)** pages before submitting it to your guarantor*).
2. Write "I certify this to be a true likeness of (*your name*)" on the back of **one (1)** of your photos, and sign it.
3. If applicable, sign and date a copy of each document to support your identity (see section N).

Passport Canada reserves the right to request an alternate guarantor.

If you have **not known** an eligible guarantor for at least **two (2)** years, complete form PPTC 132, *Statutory Declaration in Lieu of Guarantor*, available at any Passport Canada regional office in Canada or any Government of Canada office in the USA.

This form must be completed at your expense before a person authorized by law to administer an oath or solemn affirmation.

This may delay the processing time of the passport.

L

Previous Canadian Travel Document

- Enclose any Canadian passport, certificate of identity or refugee travel document issued to you within the last **five (5)** years. If your current passport expires more than 12 months from the date the application is submitted, provide a written explanation as to why you are applying at this time. Should Passport Canada not be satisfied that you have a valid reason for applying early, your application for a new passport may be refused.
- A person's name may appear in only **one (1)** valid Canadian passport, certificate of identity or refugee travel document.
- If a valid passport has been lost, stolen, damaged, destroyed or is inaccessible, complete form PPTC 203, *DECLARATION*, available online at www.passportcanada.gc.ca, at any Passport Canada regional office in Canada or at any Government of Canada office in the USA. A Canadian passport, once reported lost or stolen, is no longer valid and is not to be used for travel.

Protection of Information

All personal information provided on this application form is protected and used in accordance with the provisions of the *Privacy Act* (Personal Information Bank No. FAI PPU 030). Personal information is collected by Passport Canada under the *Canadian Passport Order*, to determine the applicant's current and ongoing entitlement to a Canadian passport, to administer passport services and to provide information to the Consular Affairs Bureau of Foreign Affairs and International Trade Canada in the event that the applicant requires assistance while travelling abroad. The guarantor's information is also checked to determine whether the person meets the requirements to act as a guarantor. All information provided is subject to routine verifications and security queries. Such verifications include validation of Canadian citizenship certificates with Citizenship and Immigration Canada.

To strengthen the security of the Canadian passport, Passport Canada uses facial recognition technology to convert the applicant's photo into a biometric template for comparison with the Passport Canada database of photos. The photo is then incorporated into the passport as a digital image. Biometric templates are retained for a maximum of 12 years.

Passport Canada uses the services of third parties to receive passport applications submitted in person. All parties ensure that all personal information is protected and used in accordance with the provisions of the *Privacy Act*.

Passport Canada may contact the applicant/passport holder to solicit feedback about passport services.

Helpful Tips for Completing Your Passport Application

- ▶ **Complete and sign all three (3) pages of the application. FAILURE TO COMPLETE ALL THE REQUIRED SECTIONS OF THIS FORM WILL RESULT IN YOUR APPLICATION BEING REFUSED.**
You must sign your usual signature in the **three (3)** signature boxes provided (one signature per page).
 - ▶ **Sign within the white box (section 1)**
Your signature must not touch the shaded border in the signature box in section 1. This signature will appear in the passport. If the signature touches the border, a new signature will be required which will cause delays.
 - ▶ **Photos (section 0)**
Photos must have a white or light-coloured background and be free of shadows and glare on the face and background. You must have a neutral expression. Your photographer can consult the specifications at www.passportcanada.gc.ca.
 - ▶ **Proof of Canadian citizenship (original document)**
Your original birth certificate or citizenship certificate/card (*not a copy*) must be submitted. Commemorative certificates are not acceptable. If you were born in the Province of Quebec, only birth certificates and copies of an act of birth issued on or after January 1, 1994, by the *Directeur de l'état civil* are accepted.
 - ▶ **Complete citizenship information (section 4A)**
All applicants must complete the question: "Did you acquire citizenship of another country before JANUARY 1, 1947?".
 - ▶ **Fee and credit card information**
Submit the correct fee in **Canadian funds only**. We accept debit cards (in person only), credit cards, certified cheque or money order and international money order. If you are paying by credit card, fill out and detach section E, Credit Card Information, and **enclose it with your application**.
 - ▶ **Guarantor requirements (section 2)**
Choose a guarantor who meets the criteria outlined in section K. You must complete your passport application before submitting it to your guarantor. Ensure your guarantor completes and signs section 2 on the application form. Your guarantor must also sign the back of **one (1)** photo and, if applicable, copies (*both sides*) of each document to support your identity.
 - ▶ **Provide documents to support your identity (ID) (section 5)**
Provide at least one valid government-issued ID with your name and signature. If you are submitting a copy, both sides must be signed and dated by your guarantor.
 - ▶ **References (section 8)**
Provide **two (2)** references who are not your guarantor or a relative. Friends, co-workers and neighbours may be used as references provided they have known you for at least **two (2)** years.
 - ▶ **Submit any valid passport or travel document**
If your passport is still valid when you apply, you must submit it. Any travel document issued in the last **five (5)** years must be submitted. If your passport is still valid or expired for less than one year, you may be eligible for the simplified renewal application process.
 - ▶ **To use your spousal surname (section 1, line 4)**
If you want the passport issued in your spousal surname (last name), you must complete the requested information about your marriage, including year of marriage.
 - ▶ **Additional personal information (section 7)**
 - Addresses
Indicate "Same as current address" if your address has not changed in the last **two (2)** years.
 - Occupation
State your occupation over the last **two (2)** years. If you were a homemaker or retired for the last **two (2)** years, indicate this on the form.
 - Mother's Maiden Name
Indicate your mother's surname (last name) when she was born.
 - ▶ **Application for a child**
If applying for a child under 16 years of age, you must use form PPTC 155, *Child General Passport Application*, if applicable, ensure that all documents regarding custody or mobility of, or access to the child are submitted.
- To avoid delays in issuing the passport, use the Requirements Checklist, section B, under General Information and ensure your application is complete.**
